HEAD SHOT RATES

\$575 Digital shoot includes unlimited shots in both black and white and color. You will then choose 2 images which will be retouched and formatted (8x10) with your name on them. I will also burn all of the other images to a CD/DVD for you to keep.

THE SHOOT

I shoot outdoors using a mixture of natural and artificial light as well as in a studio. Both locations result in an image that is natural, clean, and reflective of what you look like. You may choose whether you would like your photos done in the studio or outdoors. You will be responsible for your own hair and make-up, unless you would like me to book a Make-up Artist for an additional fee. I recommend clean and natural looking make-up.

CLOTHING

You should be the star of your pictures not your clothes, so I suggest staying away from crazy colors and designs. Solid colors are always safe as are textured fabrics. Wear something you feel fabulous but comfortable in; something that fits nicely. If you choose to work in the studio, feel free to bring numerous changes of outfits and we will keep shooting till we find what clothes work best for you.

AFTER THE SHOOT

Within 2 days you will receive a link to your own private web gallery containing all of your pictures. You will be able to view all of your images and I suggest that when you do, you take your time considering them, perhaps give them a rest for a day, and then look at them again -- often times you will see something you didn't see the first go-round. Also share them with others and get their opinion. Once you have chosen the 2 shots you like best, I will retouch and deliver the high resolution images to you on a CD or over the web. Once you have your images you will have to get them mass produced. There are many places in the city that will do this for you. The top two that I work with are Reproductions (www.reproductions.com) and Modern Age (www.modernage.com). As mentioned above all of the remaining images will be burned to a CD/DVD and delivered to you.

EXTRAS

Image retouching beyond the 2 photos will be \$100 per photo. If you want a border, formatting to 8x10, and your name applied to your head shot a \$25 fee will be charged per photo.

If you've lost your images I will re-burn a CD for you for \$25.

PAYMENT

I accept cash, checks, or if you want to pay by credit card, you can pay my paypal account: chandler@chandlerfordphotography.com
Payment must be made by or on the day of the shoot.

REBATE PROGRAM

Referral business is the very best type of business and I would love to have more of it! Therefore, I have created this referral rebate program. It's easy and all you have to do is tell your friends about me. Here's how it works: If you refer anyone that books & pays for a head shot session with me, I will send you \$75 cash as my way of saying "thank you". Also there is no limit to how many people you can refer and receive the referral reward. To make it even better, you don't even have to be a client of mine. If you see my work and think someone else might like it, pass it along. If they book with me, you get \$75! See, it's simple!
